

Look Good Feel Better

Cosmetics Class for Cancer Survivors

Cancer can rob a woman of her energy, appetite and strength. But it doesn't have to take away her self confidence. **Look Good, Feel Better** is a free program that teaches beauty techniques to women cancer patients in active treatment to help them combat the appearance-related side effects of cancer treatments. Each class is led by a licensed cosmetologist; and each participant receives a kit with high-end, designer cosmetic products and a catered meal at no charge!

Class Location

Classes are held in the basement of the McRae building on the Texas Health Arlington Memorial campus. Parking is available outside of the McRae Building and in the Vandergriff Parking Garage.
